For Savings and Home Financing
See Old Colony First

Profitable Savings Plans

Old Colony Monthly Savings help you build up funds the sure, systematic way for retirement, the down-payment on a home, college expenses for your children, or any worthwhile purpose. Even small amounts grow rapidly; for example — $5. per month to $1000. — $10. per month to $2000., etc.

Old Colony Convenience Savings enable you to save what you can when you can. You may open a Convenience Savings Account with as little as $5. It's the easy way to accumulate cash for such yearly expenses as taxes, fuel bills, insurance premiums, and other lump-sum payments.

Your Savings earn liberal dividends compounded semi-annually, and are insured up to $10,000.

OLD COLONY 12 Point MORTGAGE PLAN

Low Cost Home Financing

When you buy a home, just make a reasonable down-payment—then repay your 12-Point Mortgage monthly, like rent. With liberal loan periods from 10 to 20 years you can choose a repayment schedule to fit your budget. The low interest rate is further lowered by reductions of ½% each at stated intervals.

When you build, Old Colony advances funds as construction progresses. Thus you have ready cash for advances to the contractor and for materials. No monthly payment on principal is required until you move in, if this is within 6 months of the date of the mortgage.

A 12-Point Mortgage cannot be called while your monthly payments are up to date.

Out of Sight! • Out of Mind! • Out of Business!

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. ***Insist on being well represented in its pages.***

This Publication Is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media, and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.

2. To subscribe to and work for truth, honesty and accuracy in all departments.

3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.

4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.

5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.

6. To solicit subscriptions and advertising solely upon the merits of the publications.

7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.

8. To co-operate with approved organizations and individuals engaged in creative advertising work.

9. To avoid unfair competition.

10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

DO YOUR EMPLOYERS FURNISH YOU WITH THE LATEST EDITION OF THE CITY DIRECTORY?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

Why A BUYERS' GUIDE?

It is customary to include a Buyers Guide in the City Directory because:

It gives business firms the opportunity to elaborate upon a description of their products and services impossible in the limited space of regular Alphabetical and Classified listings.

☆

THE BUYERS' GUIDE IS A NECESSARY SUPPLEMENT TO THE REGULAR LISTINGS; IT IS GOOD CITY DIRECTORY INFORMATION . . . *EXTENDED*

Are They Used?

Two old books. The picture surely tells you that. They are dilapidated and thumb-worn, but here are the facts regarding their age.

One of these Directories has been used at the Information Window of the Statler Hotel, Boston for five months. The other has been for six weeks on the public stand in South Station Waiting Room, Boston.

Do people use the Directory, and do they read what advertisers in this book have to say about their products?

Our picture gives you the answer.

A Lasting Advertisement

Insuring Maximum Coverage at Minimum Cost Is Now Available

City Directory Advertising lives as long as the book is current. It is readily at hand and can, through cross indexing of proper representation, be made easy to find and fully informative. Any business-man, desirous of effectively registering a service or product in such a manner as will form a permanent advertisement, owes it to himself and his business to be thoroughly informed on City Directory Advertising.

Your City Directory is not alone a local medium. By a system of distribution through nearly 500 City Directory Libraries, your advertisement takes on a national aspect. Send for descriptive Library Folder and Privilege Card.

POLK'S PROVIDENCE

Directory of Householders, Occupants of Office Buildings and Other Business Places, Including a Complete Street and Avenue Guide

1953

Copyright, 1953, by R. L. Polk & Co.

Giving the location of Streets, Avenues, Parks and Places, and showing what other streets and places run from or across them.

A list of Householders and Business Places arranged in numerical order upon their respective streets, even numbers on left side with a few exceptions.

The numbered streets are arranged in numerical order followed by the named streets in alphabetical order.

The symbol ◎ following the name of a householder, indicates that the house is owned by the person listed or by some member of the family. This information is as received by the canvasser. The publisher does not and cannot guarantee its correctness.

Business places are denoted by the street number printed in bold-face figures. When a person's place of business and residence are at the same place, it is indicated by the use of both bold-face figures for the street number and the abbreviation h at the end of the line.

The △ preceding names denotes householders and places of business having telephones.

* Shows building incorrectly numbered.

† this symbol placed before a listing denotes inability to get complete information by personal call, telephone or mail.

(The numerals that appear at right edge of columns ahead of street descriptions and some street intersections, are merely for the guidance of the publishers and have no other significance).
